

Change Log

Change ID	Description	Impact	Status
CR001	Corrected inconsistent date formats.	Standardized date values for consistent analysis.	Resolved
CR002	Checked for duplicate records; no duplicates were identified.	No records removed; all records preserved.	Resolved
CR003	Converted Quantity, Unit Price, and Total Price to appropriate numeric data types.	Enables accurate calculations and aggregations.	Resolved
CR004	Applied TRIM function to clean the Product and ReferralSource columns.	Removed extra spaces; ensures consistent grouping and matching.	Resolved
CR005	Checked for missing values. Identified 309 blank values in CouponCode and replaced them with "No code".	Distinguishes missing entries from actual coupon codes; no rows dropped.	Resolved
